## AFFIDAVIT

STATE OF TEXAS

§  
§  
§

Before me, the undersigned authority, Sonya Strambler, being first duly sworn, deposes and states:

“My name is Sonya Strambler. I am a Regulatory Affairs Case Manager for the Lower Colorado River Authority. I am over the age of twenty-one, and am competent to make the following affidavit:

In compliance with the requirements of Question No. 29 in the Public Utility Commission’s (PUC) Certificate of Convenience and Necessity (CCN) Application form, I certify that a copy of the Environmental Assessment (EA) prepared by POWER Engineers, LCRA TSC’s and AEP Texas’ environmental routing consultant on the Bakersfield to Solstice 345-kV Transmission Line Project, was provided to representatives of the Texas Parks and Wildlife Department (TPWD). More specifically, Attachment No. 10 of LCRA TSC’s and AEP Texas’ CCN Application is a letter dated November 7, 2018, addressed to Laura Zebehazy with the TPWD Wildlife Habitat Assessment Program, in which I informed Ms. Zebehazy that, on that same date, LCRA TSC and AEP Texas filed with the PUC its Application to Amend to Their Certificates of Convenience and Necessity for the Proposed Bakersfield to Solstice 345-kV Transmission Line in Pecos County, Texas. On November 7, 2018, the same day the Application was filed with the PUC (and within seven days from the filing of the Application), I hand-delivered to Ms. Zebehazy at TPWD headquarters in Austin, Texas, the letter included as Attachment No. 10, a copy of the EA, and a full copy of the CCN filing. This affidavit summarizes LCRA TSC’s and AEP Texas’ compliance with the notification and filing requirements of the CCN Application Form.”
